

Genitti's Hole In The Wall

This holiday season things are looking merry and bright at McDougal's Christmas Tree Farm, but will a dim-witted farm hand, a grumpy big-city daughter, and a holier-than-thou neighbor ruin Laverne McDougal's chance to save the town's annual Christmas Pageant? Join Genitti's as we take you out to the country for more fun than you can shake a candy cane at. You might even join us on stage in our newest interactive comedy holiday show!
